SUBJECT: JACK HOOPER, SUSQUENANGO COUNCIL  
BRIAN E. PARKS, KATAHDIN AREA COUNCIL

Dear Charlie:

The Brian Park file has been cancelled, and we see no reason for further action on this file at this time.

I have not received any information from the Susquenango Council concerning Jack Hooper.

On October 9, 1990, John Anthony wrote to Mr. John Scanlon in Binghamton asking for more information.

On March 27, 1991, you wrote and asked me if I had received any additional information on this individual. I responded on April 3, with the letter which you now have returned to me asking if I had heard anything.

No information has been received at this time, and we certainly would like more information if someone wishes to pursue this further. Since I have not heard from anyone, I do not know where we stand except that we would not allow Mr. Hooper to register with the Boy Scouts of America.

Sincerely,

Paul Ernst, Director  
Registration and Statistical Service

Dear Charlie:

Let me update you concerning both of the above named individuals.

We have not received any additional information on Jack Hooper, since you referred the case back to the council because of the lack of information on which to make a regional review committee decision. We still would like more information to give us a stronger file or to cancel this file. We did get it approved to stay on the file in the national office because of the concern which we had.

The Brian Parks file was cancelled after we received your letter of March 13, indicating that the committee requested approval to send Mr. Parks a letter indicating that he could be registered. I responded on March 27, giving you authority to send the letter which had been drafted to Mr. Parks. We feel this is fine and that he can register with the Boy Scouts of America.

Let me know if we need to pursue either of these matters further at this time.

Sincerely,

Paul Ernst, Director

Dear Mr. Scanlon:

Susquenango Council

I have been informed by Paul Ernst our National Director of Registration that any reports sent to him are confidential. The reports are locked in our confidential file at our national office. This information is not shared with the person in question. Only once in our eighty year history has this information been shared and it was by court order.

SUBJECT: REVIEW MEETING HELD JULY 10, 1990

From: Paul Ernst, S108

To: Charles D. Ball, Northeast Region

The decision to confirm the denial of registration for James Dusseault, Byron Fisher, James Steele, Aloysius Zoladz, Thomas Killian, Ronald Mayeski, Michael Dougherty, and Bruce Gram is the correct decision. Any of these individuals who wish to appeal, may appeal to the National Council. You may notify all of these individuals of that decision.

The decision to refer the Jack Cooper File back to the council is a good one. The only thing I have in the file that in any way supports this decision is the statement that he had sexually abused a nine year old girl. The parents reported this, but refused to give their name. I agree with the regional committee that we need more documentation in order to make a proper decision.

The file of Mr. Henry Tschorn is being referred to David Park. I have recommended the support of your decision to allow Mr. Tschorn to continue his affiliation with the Boy Scouts of America. As soon as a response is received from Mr. Park, I will immediately contact you, so this case may be completed.

Do not hesitate to call me if we should discuss any of these matters.

SUBJECT: RESULTS OF JULY 10, 1990 NORTHEAST REGION REVIEW  
COMMITTEE MEETING

I am requesting National approval of the following actions taken by the Northeast Region Review Committee.

1. The committee supports the local council decision to deny registration to James Dusseault, Byron Fisher, James Steene, Aloysius Zoladz, Thomas Killian, Ronald Mayeski, Michael Dougherty, Bruce Gram.
2. The committee supports the Westchester-Putnam Council, White Plains, New York request to allow Henry Tschorn to continue his affiliation with the Boy Scouts of America.
3. The committee did not feel that there was adequate information in the Jack Hooper file for them to make a decision. The committee requests that you ask the local council to secure more information and/or statements from people involved.

I will hold the mailing of the letters to these individuals until I receive approval from you to mail them. Copies of the letters, minutes of the meeting, and the files (except Hooper) will be mailed to you under separate cover.

SUBJECT: REGIONAL REVIEW FILES

Dear Charlie:

In accordance with our phone conversation of June 5, 1990, I am sending you copies of the files for the individuals we discussed.

There is information attached for Michael Dougherty, Bruce Gram, James Dusseault, and James Steele.

We agreed there would be nothing sent to you on Hank Tschorn at this time, since we had practically nothing in our file. We are waiting for the material to come from you, and also any other material which the council can send us, so we have a complete file. I feel the review should not be scheduled until the council has adequately supplied our needs, especially since they now wish to reinstate him.

There was nothing in the file for Jack Hooper that you did not have.

Please let me know if I made an error anywhere, but I believe all of these are now ready to be reviewed, except for Mr. Tschorn.

Sincerely,

Paul Ernst, Director  
Registration Service

Endicott, N.Y. 13760

Dear Mr. Hooper:

Susquenango Council

After careful review, we have decided that your registration with the Boy Scouts of America should be denied. We are therefore compelled to request that you sever any relations that you may have with the Boy Scouts of America. A refund of your registration fee is enclosed.

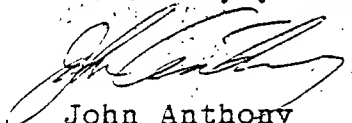

Box 66 Southview Station

You should understand that the Boy Scouts of America membership registration is a privilege and is not automatically granted to everyone who applies. We reserve that right to refuse registration whenever there is a concern that an individual may not meet the high standards of membership which the Boy Scouts of America seeks to provide for American youth.

Binghamton, NY 13903

If you wish to have this decision reviewed by a Boy Scouts of America regional review committee, please write to the regional director within 60 days of the date of this letter, explaining your version of the facts supporting your claim that your registration as a Boy Scouts of America member should be reinstated. The procedures for a review of this decision are attached.

Sincerely yours,

  
John Anthony  
Scout Executive

Attachment:

The following information is provided should you desire a review by the Northeast Region, Boy Scouts of America of the decision to deny your registration.

1. Within 60 days you must request in writing a review of this decision. Your request should be sent to the Assistant Regional Director, Charles Ball. In your request you may include your version of what occurred in support of your claim that your registration should not have been denied.
2. Upon the receipt of your written request, a committee will be appointed to review the situation.
3. You may attend the review hearing, but it is not adversarial in nature and neither the committee nor you will be represented by legal counsel. If you wish, you may be accompanied by no more than two other individuals if their testimony might assist the committee in discovering the truth and arriving at a correct decision.
4. The committee will review the facts as presented, and may interview any persons whose testimony might assist them in arriving at a correct decision.
5. You will receive a letter setting forth the decision of the committee.
6. If you disagree with the decision of the committee, you may request a review of this decision by the National Council of the Boy Scouts of America.
